

Acumen June 23 Edition

Life beyond class: Take a glance into NSHM's social scene

The Mentor Speak

Dear esteemed faculty members, students, and distinguished guests, it is with immense pleasure and gratitude that I stand before you today as the Director of NSHM Institute of Health Sciences. I extend a warm and heartfelt welcome to every one of you.

First and foremost, I would like to express my sincere appreciation to our dedicated faculty members, whose commitment to education has been instrumental in shaping the success of our institution. Their tireless efforts in imparting knowledge and nurturing the potential of our students have been truly commendable.

To our students, I extend my heartfelt congratulations for choosing NSHM Knowledge Campus as your educational home. It is an honour and a privilege to guide you on this transformative journey. I firmly believe that education is not just about acquiring information but also about fostering personal growth, developing critical thinking skills, and cultivating a passion for lifelong learning.

As the Director of NSHM Institute of Health Sciences, my vision is to create an environment that nurtures holistic development, equipping students with the skills and knowledge necessary to excel in the ever-evolving field of healthcare. I am deeply committed to providing a learning experience that goes beyond the classroom, one that encourages innovation, research, and compassionate care.

I believe that healthcare professionals should not only possess technical expertise but should also exhibit empathy, compassion, and strong ethical values. It is my earnest endeavour to instil these qualities in every one of our students, as I firmly believe that they are the cornerstone of delivering exceptional healthcare services.

I am truly honoured to be a part of NSHM Institute of Health Sciences, an institution that is dedicated to nurturing healthcare professionals who will make a positive impact on society.

Thank you for your trust & faith in me & in our institution. I look forward to witnessing your remarkable achievements and to celebrating our collective success.

- Dr. Subhashis Maity

Director
